ROLOGUE

IN PRESENTING THIS, YOUR COLLEGE BIOGRAPHY, IT HAS BEEN OUR WISH TO PRESERVE IN PRINT AND PICTURE SOME OF THE HIGH POINTS OF THE SCHOOL YEAR. FOR SEVERAL OBVIOUS REASONS IT IS NOT A COMPLETE STORY, BUT WE HOPE THAT IT IS NEAR ENOUGH COMPLETE THAT, IN FUTURE YEARS, AS YOU TURN THESE PAGES, PROBABLY NOT AS FAST AS YOU DO TODAY, IT WILL RECALL FOND MEMORIES OF GLORIOUS DAYS.

The

MR. FRANK D. McCLELLAND, LL.D.

DEDICATION

WITH DEEPEST REGRET WE SAW HIM LEAVE
HIS BELOVED KENTUCKY HILLS WHERE HE
HAD SPENT SO MUCH OF HIS TIME AND
ENERGY TO MAKE PIKEVILLE COLLEGE WHAT
IT IS TODAY. CONSERVATIVE, ENERGETIC,
AND FARSIGHTED, HE STROVE TO MAKE
THE PEOPLE OF HIS CHURCH AND OF ALL
THE SURROUNDING TERRITORY "LIFT UP
THEIR EYES UNTO THE HILLS" AND TO
IMPLANT THERE A SCHOOL WITH A WHOLE-
SOME, CHRISTIAN ATMOSPHERE AND AN
EDUCATIONAL OPPORTUNITY FOR AMBI-
TIOUS YOUTH, WHETHER RICH OR POOR.
TO HIM, AND TO HIS DEVOTED, UNTIRING
WORK WE RESPECTFULLY DEDICATE
THIS BOOK.

IN MEMORIAM

•

JESSE CHARLES HAZZARD

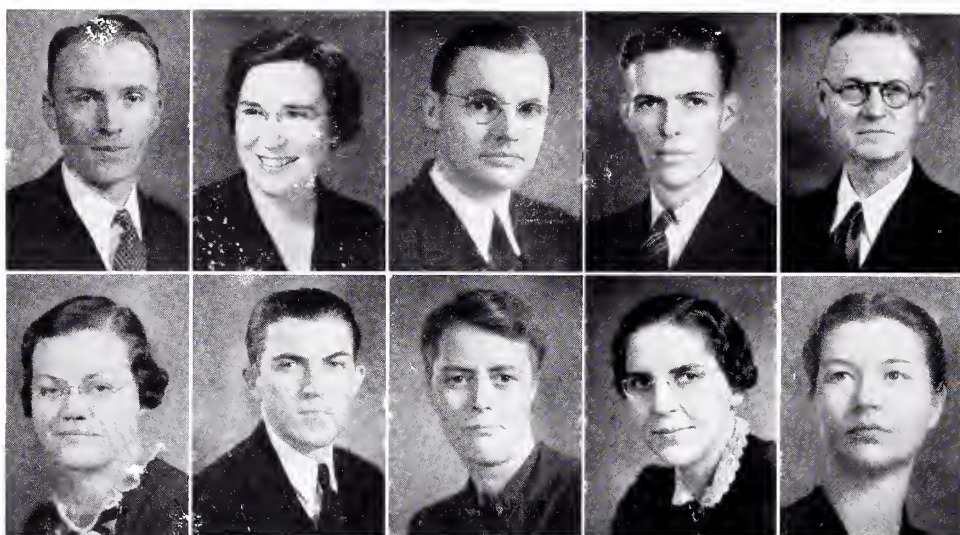

Ph. D.

October 1871 • September 1937

Head of Department of Ancient Languages
Pikeville College, 1930-1936

•

The honors rendered him now may be forgotten, but the lives of an army of students will ever reflect his influence. Those who were awed at his wisdom were also drawn to him by his friendliness. Many students, deep in the seriousness of learning and in the study of life's problems, found in Dr. Hazzard the guidance they most needed.

Approximately one hundred and fifteen students registered for the first time in the Dean's office last fall—automatically becoming the Freshman Class of Pikeville College.

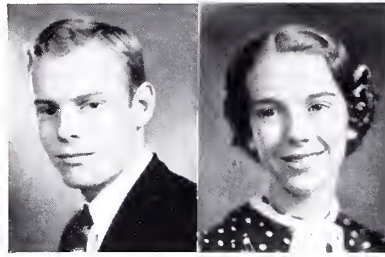

Under the cheerful (?) sponsorship of Mr. Page, this group began, after a time, to find its way, undirected, about the classrooms; to suppress most of its moronic tendencies; and to assume an air of intelligence in studies and an activity in athletics and societies that has been unequaled by any Freshman Class since last year.

WILL

We, the noble, dignified Class of Nineteen Hundred Thirty-eight, of Pikeville College Academy, being of sound mind, strong body, and almost superhuman judgment, do hereby take this space and time to dispose of our characteristics and peculiarities, revoking and making void all former wills and promises made by us.

First: We do direct that our funeral services shall be seriously conducted by our well-wishers, our principal and faculty, with all the great pomp and dignity that our worthy merits, our attainments, and our positions as Seniors must have deserved.

Second: To the school we leave our everlasting good will and loyalty.

Third: To the faculty, who have so patiently and willingly helped us along our rough road of knowledge, we give our sincere love, deepest respect, and inexpressible thanks for their assistance to, and patience with us.

Fourth: To the Juniors, wishing them happiness and good luck, we sorrowfully grant the right to become Seniors.

Fifth: To the Sophomores we give and bequeath our dignity.

On February 3 the 1938 edition of the Pikeville College Forensic Department opened its season by splitting decisions with Morehead State Teachers College. The Affirmative Team took a 2-1 decision from the larger school, while the Negative Team experienced a 2-1 setback.

Both teams were successful one week later when they won the critic judges' decision over Alfred Holbrook College of Manchester, Ohio. Tentative plans for the remainder of the season include a trip to Maryville, Tennessee, another excursion to various colleges in the Bluegrass region, and possible participation in a Junior College debate tournament sponsored by the University of Kentucky.

COLLEGE GLEE CLUB

The College Glee Club has furnished music for various occasions this year. The first public appearance of the Club was in a Christmas Carol service, presented December 20th. On Palm Sunday the Glee Club, together with a community chorus, presented at Wickham Chapel Mendelssohn's oratorio, "Hymn of Praise."

At the time the HIGHLANDER went to press, the Glee Club was looking forward to participation in two other important programs. On May 7th the annual Music Festival is to be held on the Pikeville College campus. The purpose of this festival is to stimulate and foster interest in music throughout eastern Kentucky. All high schools in eastern Kentucky are invited to participate.

by presenting their Boys' and Girls' Glee Clubs, Bands, and Orchestras. Members of the College Glee Clubs will act as hosts, and will also present musical numbers.

Members of the Glee Clubs, assisted by other students, will present the Gilbert and Sullivan opera, "Pinafore," on the evening of June 1st.

HOME ECONOMICS CLUB

The purpose of this organization is (1) the development of each member in personality, leadership, initiative and character; (2) the development of an appreciation of the field of home economics—its function in the life of a girl and the vocational opportunities for college home economics trained girls; (3) assistance in the development of the Home Economics Department; and (4) cooperation with all the organizations and activities of the College.

As a member of the state and national organizations we receive the Student Club News Letter, which tells of the activities of other state clubs. We also receive the magazine of the American Home Economics Associations. Furthermore, the members of the Club have the opportunity of cooperating in the international program by helping with the foreign student fund.

The Photography Club is the newest organization of which the college can boast, as no group with the taking of pictures as its forte has appeared on the campus before.

Organized last fall by Mr. Gault, the club has one of the largest memberships of any of the school organizations. Aside from the taking and developing of pictures, the requirements of the club are cooperation and responsibility on the part of its members. The organization has done much to develop an interest in photography on the campus and its members have snapped a number of quaint and interesting pictures throughout the year.

HISTORY CLUB

The History Club was organized in the fall of 1936 with the purpose of bringing together those students interested in history, and affording them opportunities for work not included in regular courses. In 1937 it was reorganized, and while it is considerably larger, it has generally followed the plan established in the preceding year.

SPORTS

Softball, the emulator of baseball, supplied one of the most interesting diversions of the year in the fact that it was a sport in which all the men students were invited to participate and in which most of them did—more or less gracefully.

All of the men were divided alphabetically into teams. Even the faculty came down off the platform to vie with the students for the honors.

Some of the teams selected rather strange names for themselves, while others chose more commonplace appellations. Among the teams competing were the Hornets, Academy, Giants, Faculty, Dirty Ten, Pirates, Sweet Peas, and Yanks. Surprising to most of us was the showing of the Faculty, which overwhelmed a majority of the teams to win second place. Their only "stinging" defeat was at the hands of the "Hornets," who swarmed all over the Faculty to win the pennant.

Tennis also barged rather prominently into the limelight. As in softball, both students and faculty entered into the sport, and again the faculty did more than its share, as the championship and second place went to two of its members. Gualt, chemistry prof, was champion, with Koenig, psychology man, runner-up.

ALMA MATER

Gather 'round, ye loyal schoolmates,
Lift each voice till echoes ring.
Loudly praise our Alma Mater,
'Tis of Pikeville C. we sing.
And in deepest care or sorrow,
Should we pause to think of thee,
Strong our hearts once more,
As in the days of yore,
When we sing of our loyalty.

Orange and Black, we hail thee,
Ever thy praises sing.
Oh, see our colors that stand for honor,
And to us victory bring.
Orange and Black forever,
We hail thee far and near;
On the field or in the hall,
We will answer the call,
For we love thee, our College dear.

LOYALTY SONG

We're loyal to you, Pikeville C.,
To the Orange and the Black Pikeville C.
Your banner in hand, comes a right loyal
band;
You're the best in the land, Pikeville C.
Rah, rah!
Where'er we may roam, Pikeville C.,
You'll still be our home, Pikeville C.
Your arms are outspread to meet us,
Shouting you'll ever greet us,
Welcome to you, Pikeville C.

Fling out the Orange and Black that's wav-
ing for you;
Lead on the sons and daughters fighting for
you;
Like men of old on giants
Placing reliance,
Shouting defiance:
Oskey wow wow!
To win us world-wide fame in many a land,
For honest labor and for learning we stand.
And unto thee we pledge our heart and hand,
Dear Alma Mater Pikeville C.

COACH J. K. RASH

J. K. Rash in his first year as coach at Pikeville College molded his athletes into a Bear team with one purpose in mind—sportsmanship. May all who follow him continue in this direction.

Mr. Rash is a graduate of Penn College, Oskaloosa, Iowa. His M.A. in Physical Education is from the Y. M. C. A. Graduate School, Nashville, Tennessee. He also attended coaching school, conducted by Lambert, head basketball coach at Purdue University.

The student body wishes him much success with his future Bear teams.

BEAR LETTERMEN

1938

Top Row

R. C. LAYNE

Six-foot-three Bear center, R. C. proved that he played basketball for a purpose by leading the "Bruin" cagers with 175 points. R. C.'s favorite shot was a turning two-hand flip from the 17-foot line. The accuracy of this shot helped Layne to lead P. C. netters in scoring.

PHIL BEVINS

Although handicapped by illness during mid-season, Phil played excellently during most of the season's outstanding games. His long shot and dependable defensive work will be valuable again next year.

OSCAR SMITH

"Ossie" got off to a slow start, but played a brand of ball, after his first few games, that showed the style which put him second among the Bear scoring aces. He will give Layne a race for high-scoring honors next season.

HUBERT KING

Coming to us from Belfry, King proved that he had not lost his eye for the basket by scoring freely in numerous games. He was at his best in a fast passing tilt.

Second Row

CHARLES JOHNSON

"Stud" pulled quite a surprise on the Pikeville College student body when he turned out to be almost as good at basketball as he is at baseball. His quick shooting proved very effective, especially against the strong Sue Bennett team.

CORLIS HUDSON

Ted showed himself to be a good offensive as well as defensive man, displaying exceptional form in both the Sue Bennett and Campbellsville tilts. His size will be a big asset in the moulding of next year's varsiteers.

Third Row

BILL VENTERS

Bill's playing was outstanding in numerous games, and he has given our rooters something to look forward to next season. He is always a dependable scorer.

YORK VARNEY

As a manager, Varney is "tops." By his successful managing of details for

Bear trips and games, he won for himself not only a letter but also many friends.

BILL SULLIVAN

Outstanding Orange and Black defensive man, "Sam" contented himself with feeding the ball to his teammates. A heady and consistent player, his unceasing chatter made him the spirit of the team.

BEAR SQUAD

With prospects not looking so bright, the Pikeville College Bears began the 1937-'38 basketball season with a squad entirely new, no member being a second year man. It was also Coach Rash's first year at Pikeville. The first game of the season was played against an independent quintet from Auxier. On this trip the Bears met one of the strongest independent teams of this section, but they won by an eleven-point margin. The second game was played at home against the Alumni, the Bears winning by 36-22. Auxier came to Pikeville to avenge the defeat handed them and trounced the Bears by four points. The wearers of the Orange and Black went on a three-day road trip into central and western Kentucky, where they defeated Sue Bennett of London by 36-31. The next night they were taken into camp by the Blues of Lindsey Wilson, the Blues winning by 23 points. In the final game played on this trip they again met defeat, this time at the hands of Campbellsville College by a 27-29 score.

At home again the Bears defeated Caney by a comfortable margin, but lost to the Norton Kiwanians. Sue Bennett dropped by while in Pikeville, and the Pikeville boys again defeated them, this time by the close score of 29-28. Hazard came to the "Bruin" campus to take back a scalp. Playing host to Lindsey Wilson on the following night, the Bears got revenge by defeating the Blues of Columbia with a 35-32 score.

The Bears were defeated in the tournament by Sue Bennett, a team they had beaten twice previously. They lost by 31-24. With the belief that the entire squad will be back next season, the student body looks forward with eagerness to the great things that will be accomplished in the 1938-'39 season.

CUB SQUAD

Although the Cubs were not expected to set the pace in basketball because of the discontinuance of their team for the two seasons prior to 1937-'38, the opening of the court season found the squad with the same invincible spirit they had had as Runts. Losing more games than they won, the Academy boys played through a mediocre season. Although losing by a narrow margin to Virgie, the Cubs upset predictions by defeating the strong Maytown team. While they were unable to win the tournament, the results of their games against larger schools are most satisfying.

The members of the squad are: Cline, Sophomore; Hambley, Sophomore; Henderson, Junior; Hylton, Senior; Barnett, Sophomore; Rice, Junior; Ratliff, Sophomore; Hames, Junior; Chrisman, Junior; Adkins, Sophomore; Cassidy, Sophomore; Miller, Freshman; Matney, Sophomore; Lathram, Eighth Grade; Roberts, Eighth Grade.

The golden-rod is yellow;
The corn is turning brown;
The trees in apple orchards
With fruit are bending down.

By all these lovely tokens
September days are here,
With summer's best of weather,
And autumn's best of cheer.

—Helen Hunt Jackson

SEPTEMBER

13. Registration! Dean's office reminds one of bank night.
14. Freshman discovered STUDYING in the library. Amazing!
15. Classes meet . . . Why?
16. We observe the new faculty members—Miss Earle, Mr. Gault, Miss Murray, Miss Stephens, Miss Richey, Mr. and Mrs. Ashby, Mr. Tamminga, and Mr. Rash. Welcome, strangers!
17. In one of Miss Spilman's classes Eloise Williams names the love bug as a harmful insect. Confusion!
20. Sophomores organize . . . Ellis Dotson steers the ship.
21. Freshmen disorganize . . . Ralph Johnson becomes president.
22. Candid cameraman appears . . . Number of faculty disappear.
22. Pages entertain faculty and trustees with a big edition of fried chicken, 'n' everything else that's good.
23. Explosion in chemistry lab. . . Mildred Penix is almost a murderer. Otherwise the day is uneventful.
24. Christian Endeavorers and their friends are entertained by Mr. and Mrs. John Miller, Mrs. Trivette, and Mrs. Francis.
25. Dr. McClelland and Mr. Davis entertain the students by reading poetry.
27. Students start carrying insect killer in order to stave off the "love bug." Useless!
28. Y.W. and Y.M. meet to welcome new members.
29. Madge and Bruce are as inseparable as they were when Freshmen.
30. Ellen T. falls victim to the common ailment.

O, sun and skies and clouds of June
 And flowers of June together,
 Ye cannot rival for one hour
 October's bright blue weather.
 —Helen Hunt Jackson

OCTOBER

1. New books arrive for the library. If some of us could read!
2. Students and faculty take a trip to the "Breaks of the Big Sandy."
3. College students find rural Sunday school work to be very interesting.
4. Miss Sandrock sings "Tying Apples on the Lilac Tree."
5. The tall, dark, and Mr. Gault speaks on "Photography."
6. Miss Lombard shows us the possibilities of our organ.
7. Faculty entertained by Mr. and Mrs. Carson at the Kentucky-and-West Virginia Power Company Building.
11. French club organizes.
12. Miss Richey enlightens us on Japan.
13. Students present Dr. McClelland with golf clubs. A sad chapel this, in spite of Mrs. Shurtleff's humorous reading.
15. Dr. McClelland leaves. Our loss is Maryville's gain.
16. We wonder how it will feel to be without a president.
18. German club organizes; Harold King ponders over the women; James Jarrell is seen talking to Ina Mae Wicker; Harold Coleman drives slowly through town—out of gas, if you ask me.
19. Freshmen eat their lunch on the front steps, but are loath to "divvy" with the Sophs.
20. Due to an affection usually attributed to immature canines, Mlles. Shanks and Powers, Messrs. O. Ratcliffe and T. Hudson are familiarizing themselves with that mode of existence necessitated by the eating of frankfurters.
21. Founders' Day. Fall meeting of Board of Trustees. Luncheon for all, furnished by Alumni. Tea at Training School. Freshmen parade in the rain. Basketball: Faculty vs. Anybody and Everybody.
23. Mr. James Crisp comes to class today.
25. Dr. No-Yong Park gives an "Oriental View of American Civilization."
28. Y.W.C.A. party is a success, even though Nora and "Slim" sing a duet. Carl Sturgeon and York Varney scandalize themselves by appearing in regalia which none of the other Halloween-spirited guests could surpass.
29. Home Economics girls and Organic Chemistry Class vie for honors in creating odors in first-floor hall.

25. Photography Club meets again.
26. Several "double cuts" dished out today because students didn't have time to recuperate from the feasting.
